## Location

Biology Building. Faculty of Sciences. UAM.

## Scientific Program

**10:00-** Opening Ceremony: Welcome by Tomás Torres and Javier Adrio.  
**10:15** UAM Lecture: Chairman, Tomás Torres.

Prof. Stefan Matile (University of Geneva).

*Functional Supramolecular Chemistry: Unorthodox Interactions in Catalysis and Fluorescent Probes*

---

**11:15-** Coffee break  
**11:45**

---

**11:45-** GSK lecture: Chairman, M. Pilar Manzano (GlaxoSmithKline)  
**12:45** Prof. Eva Hevia (University of Bern)

*Bespoke Bimetallics for Chemical Cooperativity*

---

**12:45-** Lunch  
**15:00**

---

---

**15:00-** Janssen Lecture: Chairman, Juan Antonio Vega (Janssen)  
**16:00** Prof. Frank Wurthner (University of Würzburg)

*Electron-poor Nanographenes: Synthesis, Supramolecular Chemistry and Functional Properties*

---

**16:00-** Lilly Lecture: Chairman, Miryam Pastor (Lilly)  
**17:00** Prof. Nuno Maulide (University of Vienna)

*The simplicity of rearrangements -towards ideal reactions*
